

2026 HFA European Congress Sponsorship Prospectus

24–26 September 2026 • London, England

The Health & Fitness Association (HFA) invites you to engage with industry decision-makers at the 2026 HFA European Congress—three days of networking, executive-level education, and meaningful business connections.

This premier gathering brings together leaders from across Europe and around the globe, providing sponsors with unparalleled access to influential buyers and industry innovators.

Why Sponsor the 2026 HFA European Congress?

Position your company at the center of the European fitness industry. The Congress attracts senior executives, owners, operators, and leading solution providers committed to advancing the business of fitness.

Sponsorship offers direct access to qualified buyers and a powerful platform to elevate your brand.

What Past Attendees Say

"The HFA European Congress is a must-attend event for anyone seeking to stay at the forefront of the European fitness industry. The Congress consistently provides a unique and valuable opportunity for interactive learning, exceptional networking and insightful sessions and speakers. It is an event I look forward to annually!"

– *David Van Daff, Director of Global Industry Development, NASM*
